CALL FOR ABSTRACTS, PAPERS, POSTERS & EXHIBITS

Preamble

The third Meru University of Science and Technology International Conference (MUSTIC2024) is scheduled for 26th to 28th June 2024 at the Meru University Main campus in Meru, Kenya. With the theme, "Science in the Service of Climate Action," the conference becomes a hub for exchanging cutting-edge scientific knowledge, innovative solutions, and collaborative strategies to address the challenges of climate change. It fosters a collective commitment transcending borders and disciplines, uniting us in the imperative mission to harness science's power for global climate action. MUSTIC2024 marks a journey to explore transformative ideas, promote interdisciplinary collaborations, and contribute to a sustainable future, where science stands as a stalwart ally in safeguarding our planet.

Objectives

- To facilitate the exchange of cutting-edge scientific knowledge related to climate change.
- To explore and discuss innovative solutions and collaborative strategies aimed at mitigating and adapting to the impacts of a changing climate.
- To promote interdisciplinary collaboration by bringing together experts from diverse fields.

Rationale

The rationale for the MUSTIC2024 conference lies in the imperative need to address the pressing challenges posed by climate change on a global scale. As our world grapples with the far-reaching impacts of environmental shifts, there is an increasing recognition that a concerted and interdisciplinary effort is required to mitigate and adapt to these changes effectively.

Submission Guidelines

1. Poster/exhibit write up and abstract with no more than 300 words, should be submitted online via email
2. PROPOSAL abstracts are NOT acceptable. Abstracts should clearly highlight the subtheme/track, title, objective, problem, methodology, key findings/results, discussion, application, conclusions, recommendations and six key-words.
3. Each abstract should include the names of the author(s), affiliation(s), postal, e-mail and telephone contacts.

4. Each full paper should have maximum 10 pages, single-spaced, font size 10, Times New Roman and MS Word format.

5. All references in the text should be cited appropriately following the APA style.

6. Authors should indicate whether the paper is already published or not, below the author's address byline.
